

Rescue Swimmer and Supervision, Cross-Steiger Wave Pool (w/m/d) in Full- or Part-time

Are you looking for an attractive job, where fun, variety and responsibility go hand in hand? Do you like to have an overview, are attentive and focused and stay cool despite the bustle and tropical heat? Then you are exactly what we need. Apply now at the earliest possible time as a rescue swimmer and take care with your contribution for a safe and unforgettable holiday in our experience- and wave pool.

Your Area of Responsibility

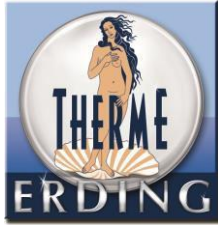

- Supervision and execution of the bathing operation with wave lagoon/-pool, spring, Crazy River flow channel and kids-pool landscape
- Service-oriented care and advice of our demanding guests
- Personal advice and reservation as well as booking of exclusive return options on site
- Guarantee of safety, well-being and satisfaction of all guests
- Depending on shift care and control of our exclusive lying areas, outdoor as well as garden area

Your Profile

- Self-motivated work and willingness to work with a high degree of flexibility and reliability
- Social competence with team spirit and communication skills
- Openness and approachability
- Quality- and safety consciousness
- Good German- and English language skills
- First Aid Certificate
- Rescue Swimmer

What we offer

- **Attractive Salary:** Benefit from regular salary increases, payment of the inflation bonus, various bonuses and tax-free surcharges for Sundays, holidays and night work.
- **Thermal Benefit Package:** Experience our great offer of additional services, such as free thermal entry, employee events, exclusive shopping discounts at many shops, job leasing etc.
- **Work-Life-Balance:** Through shift plan wishes and overtime account you can shape your working time, to have valuable time for family, friends and hobbies available.
- **Pleasant Working Climate and Team Spirit:** Feel the togetherness in our thermal family, where everyone counts and all contribute together to success.
- **Secure Working Place:** Employment in one of the best 50 companies in Bavaria and the largest thermal in the world.
